Dear John,

I would like to thank you as clerk to the Parish Council, for the generous support you gave to the annual Cambourne Big Draw event. I doubt very much if we could run it without this support. The event was very well attended and enjoyed by all who came, most of whom (adults as well as children) remained for the whole time, trying out the various art activities.

Kind regards,

Fran

The impact of your funding on the above projects will be significant and it will be my pleasure to report back to the parish council once the project has been completed.
