John and Liz,

Just a brief note to thank you very much for all of your support for the Cambourne Cricket Club u10s tournament and open day yesterday.

We had a great day.

The response was fantastic with hundreds of people there throughout the day.

The weather was great, the cricket was excellent and the feedback from other teams' coaches was overwhelmingly positive. We had several enquiries and commitments for next year's tournament! Looks like we have an annual event.

The real bonus was that Cambourne's team unexpectedly won the tournament beating county Championships from Cambridgeshire and Huntingdonshire on the way!

There will be a few boys and girls from Cambourne turning up for school this morning still buzzing from the experience!

Thank you for helping us out - and being so supportive.

Regards,

Neil Thompson

Subject: weekend - Lower Cambourne - Pavillon - hire opportunities

Dear Liz,

I live in Lower Cambourne and I would like to share my idea with you.

On weekdays there are many child groups all over the place. I guess the most of the parents are female - I can only guess, because I'm at work.

On weekends I'd love to spend more time with my child but in reality we have very few places to go. Recently (summer) the weather has been welcoming but in the months to come I'd like to create a go to place for dads in a similar situation.

Would it be practical to hire a Pavillon for a few hours during a weekend?

I know that community rate is (used to be) £5 / hr which is really affordable (community oriented). If that's still the case I'd really like to give it a go, spread the word, spend more time with my baby, meet other dads and generally do something good.

I know that there are some cricket games every now and then but that's OK. If there are any other things to consider please let me know :)

Thank you
Michal

PS. (not to send too many emails) We are very happy to extend our agreement on the allotment plot - last weekend we did some work and we were spot on to harvest some fruits...

Sent to all Parish Councils in the South

Dear Sir or Madam

We are holding a Parish Partner Networking Meeting for the South Cambridgeshire Area At Whittlesford Memorial Hall on Thursday 6th November, 2014, from 6:30pm to 8:30pm.

For those Parishes with an interest in public rights of way, we have set up some meetings across the County as a means of finding out more and sharing ideas. County Council Rights of Way and Definitive Map Officers will be in attendance to offer advice and assistance and hopefully identify practical ways in which we can work together to maintain and improve access to the countryside. These meetings are really your chance to raise and discuss your local rights of way issues.

The networking meeting is open to all Parish Councillors. If your Parish Council has a nominated volunteer who leads on public rights of way, they would be most welcome to come along.

I've attached a booking form, but all we really need to know is who will be coming and if there are any special requirements in terms of access etc. All meetings start at 6:30pm and will end by 8:30pm. Please note that space at the venues is limited and places will have to be allocated on a first come first served basis.

I hope to see you at the meeting!

Regards

Kate Day

Subject: Dog Bins And Litter Bins In Lower Cambourne

Dear Sir,

Would it be possible when next allocating dog bins, to place one on the bridle way where the newt pond is located? Presently there are no bins in this area and generally Lower Cambourne seems to be the poor relation when the bins are allocated! There is also a need for a general waste bin at the entrance to Lower Cambourne coming in from the Caxton bypass as once again there are no rubbish bins here at all.

Best regards
Allyson Mills

Subject: strippers!

Hi John,

as I am aware we still owe money from the clubs closure, so I been thinking on what the best night in the club was (with least trouble, maximum people and happy paying customers!) and that was the strippers night!

I was thinking maybe last weekend in November or 1st weekend December before Christmas rush?

we would keep it simple behind the bar with just wine, beer and couple spirits.

is this possible as I have been asking a lot of people if they interested in coming and the feedback is definitely yes as they don't like to travel far and the last one was such a fun night on our doorstep!

hope to hear back soon

Julie
