StopBAD	Letter To receive correspondence from StopBAD..

You Choose:
Have your say in how the County Council spends and saves money
tinyurl.com/CCCbudgetplan13

Residents are being put in the budget-setting driving seat by Cambridgeshire County Council. 'You Choose' is a county-wide survey asking residents to put themselves in the place of councillors in making decisions where to invest and save money.

Your views are vital as we are expected to make savings in the region of £39 million next year. This is on top of those we have already made in previous years.

These savings have to be made whilst supporting and investing in services such as adult social care, protecting children, boosting the economy and looking after roads and transport.

Get involved and fill out the survey here: tinyurl.com/CCCbudgetplan13

Our full press release can be read on our website:

Subject: Budget consultation promotion (SCDC parish councils)
Attachments: YC PromotionalFlyer-Libraries.pdf; YC PromotionalFlyer-Libraries.docx

Dear Parish Clerks –

Your names are listed in the district council's parish council pages hence contacting you directly. Cambridgeshire County Council are currently running a countywide consultation on their budget for the coming year and I was hoping you'd be willing to promote it through your parish websites / newsletters / twitter etcetera.

We want this survey to get out to as many residents as possible – and therefore to get as many responses as possible – so any circulation lists you have to promote this through would be excellent. The text used for the CCC facebook was as follows:

Residents are being put in the budget-setting driving seat by Cambridgeshire County Council. 'You Choose' is a county-wide survey asking residents to put themselves in the seat of councillors in making decisions where to invest and save money.

Your views are vital as we are expected to make savings in the region of £39 million next year. These savings have to be made whilst supporting and investing in services such as adult social care, protecting children, boosting the economy and looking after roads and transport.

For the libraries I created a flyer for them to pop up in each library – I have attached it just in case it would be of use to you as well.

Thanks

Louise Meats

Subject: Solutions for Independent Living - Mobile demonstration unit visit
Attachments: Mobile Display Visits 2013 - Morrisons.pdf; Article - Cambourne visit.doc

Dear Colleague,

NRS Healthcare is contracted by the County Council to provide the Integrated Community Equipment Service (ICES). Their custom built mobile demonstration unit providing advice and information about:

- * equipment and aids to help with daily living
- * assistive technology resources
- * adult social care support
- * health information available from libraries

will be visiting Morrisons Supermarket at Cambourne on Friday 25th October 2013 from 10am until 4pm.

I have attached a brief article and a poster/flyer to raise awareness of the opportunity to visit the mobile demonstration unit to get advice and would be grateful of any help you can give in letting people in your local area know about the unit's visit either by including in your newsletter (I realise that due to the lateness of arranging these visits we may well have missed your deadline), on your website or on local noticeboards.

Anyone interested in finding out about solutions to help with daily living but unable to visit the mobile demonstration unit can also find information by:

- * visiting Your Life, Your Choice Cambridgeshire's adult social care website - www.yourlifeyourchoice.org.uk
- * using AskSARA an online guide providing advice and information about locally available equipment to help with day-to-day living - www.cambridgeshire.gov.uk/asksara
- * visiting the library where staff and volunteers can help people to find information using Your Life, Your Choice and AskSARA
- * contacting adult social care enquiries on 0345 045 5202.

Many thanks for any assistance you can give in letting people know of this opportunity to find out about the support available locally to enable them to stay independent, safe and well.

Kind regards,
Amanda Davies

This email has been sent to the village newsletter and parish clerk contacts and webmasters from our mailing lists, apologies for any duplication. If your details are incorrect or if you no longer wish to receive information from us, please contact me at Amanda.Davies@cambridgeshire.gov.uk

Solutions for independent living

If you have problems with everyday tasks, or if you care for someone who does, and want to find out about the advice and support that is available to help you to stay independent, safe and well, NRS Healthcare's mobile demonstration unit provides advice and information about:

- equipment and aids to help with daily living
- assistive technology resources
- adult social care support
- health information available from your library.

NRS is contracted by the County Council to provide the Integrated Community Equipment Service (ICES). Their custom built mobile demonstration and assessment unit will be visiting Morrisons at Cambourne on Friday 25th October from 10am to 4pm, when you will have the opportunity to speak to the fully trained driver who can offer advice as a trusted trained assessor. You will also be able to find out about the information and advice available from the County Council to enable you to stay independent, safe and well.

Solutions for independent living

- ▶ Do you have problems with everyday tasks?
- ▶ Do you care for someone who does?

Find out about the advice and support available to stay independent, safe and well.

Morrisons, Cambourne

Friday 25th October 2013, 10am to 4pm

You will be able to visit NRS Healthcare's mobile demonstration and assessment unit to get advice and information about:

- ▶ equipment and aids to help with day-to-day living
- ▶ assistive technology resources
- ▶ adult social care support
- ▶ health information available from your library.

NRS are contracted by the County Council to provide the Integrated Community Equipment Service (ICES). Their custom built unit will be available to visit at the time and location listed above, when you will have the opportunity to speak to their fully trained driver who can offer you advice as a trusted trained assessor. You will also be able to find out about the information and advice available from the County Council to enable you to stay independent, safe and well.
