David

Just to let you know we have had a report of another large party on top of Crow Hill in the Cambourne Country Park on Friday night. Apparently there was lots of litter including broken bottles and gas canisters left behind. I went to check today after being told, but it had all been cleared up already.

I am concerned that no one is reporting these to the police when they are happening. Do you know if there were any reports and did anyone attend? How can we spread the message to residents to report this sort of thing?

Thanks

Jenny
