Subject: Upper Cambourne Car Park

Hi There,

I have recently moved in to the new Bovis development 'The Green' and my house faces the allotment road. I was wondering if anything can be done about the male youths using the car park in between the allotments and The Vine School for meeting in their cars, playing loud music, smoking and wheel spinning in the gravel. It happens several times a week from 7pm-ish onwards and is very disturbing when trying to settle my little one to sleep.

I have noticed that there is a gate, but that it has been taken off its hinges? Is it possible to close the car park at a certain time each evening again to avoid this problem?

Many thanks.

Mrs Samantha Thomas
