A request has been received from a graffiti artist for permission to use that Skatepark as a legal graffiti art site. If he is able to use the area for his own designs for which there would be no cost to the Council, however if we request designs that are Cambourne related and approved before installation there would be a cost involved and it would be run as a community project. The cost would be in the region of £100 - £200. Examples of work are attached.

It is:

RECOMMENDED that the report be received.
