Subject: Number 4 Bus Stop

Dear Sirs,

I am writing to make a complaint egarding the bus stop at for the number 4 bus. The bus no longer stops at Cambourne Business Park. The next stop is around the corner. The bus stop is located on a stretch of grass with no shelter. When it rains the grass gets very muddy and dirty for people who have to stand at that bus stop. Could we possibly have some protection from the elemens and a decent place to stand when it rains.

Kind regards

Yvonne Brazier
