**Subject:** Event in Cambourne

Hi John,

I have been given your details by my next door neighbour Simon Crocker after a conversation I had with him about an event I would like to hold in Upper Cambourne at the water park.

Essentially what I am looking to do is invite all of my immediate Cambourne resident friends to an afternoon at the waterpark. The idea is that we bring blankets and have a big ol' picnic. The idea is about bringing families together and not intended to be a profit making or business promotion exercise. I would also like to suggest that they invite their Cambourne friends. Kids included.

My vision is loads of blankets, everyone brings their own food (including some booze), the kids kick balls around etc and everyone generally has a nice time.

I would like to do this fairly soon and had ear marked the date of 16/07/16.

Being honest, moving forward I would like to make this an annual event and would like to develop the idea further so that it becomes more 'full' in terms of the things to do (I can imagine kids face painting, hog roast etc). However, the main focus being bringing people together – not businesses making a profit.

I guess what I am asking is for permission to hold an initial event simply inviting everyone to come along and bring a blanket and some grub. I would also welcome a conversation with you about making this an annual event and what the scope is for developing the idea further.

I'm certain you're a busy man but I would really appreciate a quick response with regards to the first event on 16/07/16.

Many thanks in advance and I look forward to hearing from you.

Best regards,  
Simon Goswell

Cambourne Resident
