

# CAMBOURNE PARISH COUNCIL

District of South Cambridgeshire

Council Meeting 5<sup>th</sup> September 2017

## **Post Office**

Further to previous updates on the provision of the temporary mobile Post Office to Cambourne, the Parish Clerk has been in regular communication with the Post Master from Hemmingford Grey and he is very positive about coming to Cambourne. For the first two weeks, it will be manned by two people and he will be liaising with the Parish Clerk on a monthly basis, reporting on patronage. The Parish Chairman is liaising with the Cambridge News regarding the opening of the mobile Post Office. We would remind you that you should encourage residents to use it or we could lose it. The justification for a permanent Post Office will be lessened if the mobile Post Office is under-utilised.
