

CAMBOURNE PARISH COUNCIL

District of South Cambridgeshire

Council Meeting 16th January 2018

18. CLEANER COMMUNITIES PILOT SCHEME

Please see attached correspondence from District Councillor Howell, Portfolio Holder for Health and Environmental Services relating to community lead initiatives at South Cambridgeshire District Council.

After the consultation with the Parish chairman and the Chairman of the Leisure and Amenities Committee, we have made an expression of interest as it is an extension of the voluntary work already happening in Cambourne. A more detailed report will be submitted once more information is available.

It is

RECOMMENDED that the Councillors agree the actions taken to date.
