

CAMBOURNE PARISH COUNCIL

District of South Cambridgeshire

Council Meeting 16th January 2018

11. WINTER GRITTING

The Head Groundsman and the Parish Clerk are working to prepare a draft policy for winter gritting, setting out when, how and where gritting will be carried out. We were going to present the policy to the meeting, but additional work is being carried out with the County Council, their insurers and the Parish Council's insurers, to ensure what we prepare does not invalidate the conditions of the insurance.

Attached is a copy of the volunteer gritting scheme that we currently work under.
