Subject: LED Lantern replacement works - Advance Notice.(1)

(This email has been sent to Parish Clerks, County Councillors and City Councillors)

Dear Sir, Madam or Councillor

Replacement of street lighting lanterns.

I am writing to advise that Cambridgeshire County Councils service provider will shortly be carrying out a lantern replacement programme in the roads noted in the spreadsheet attached to this e-mail.

The existing street lighting lanterns will be replaced with more energy efficient LED lanterns which will produce a white light.

The works to replace the lanterns will not involve any excavations in the road/footpath and each lantern replacement will be completed within one working day.

We will be in contact again before the works commence to advise of the proposed installation dates for each area and Balfour Beatty will also attach advanced notices in the affected areas to inform residents ahead of work commencement.

Please do not reply to this email. If you have any queries regarding the works please do contact us at: Street.Lighting@cambridgeshire.gov.uk or by telephone on: 01954 233331.

Yours Sincerely

Alan Hitch
