Subject: Request For yoga Class Funding

FAO John Vickery

Dear John

The community yoga class is expanding weekly and over 30 people now access the class. Unfortunately the children's centre are unable to fund the creche and have withdrawn it at short notice I am keen to continue to provide the service for the women who had been using it regularly given their needs. I would like to divide the class so that
12.30-1.30 caters for adult
13.30.14.30 mums with babies or toddlers.

The children's centre have advertised that babies are welcome and 3 people came last week which is great but some need the break from their children.

When we met with Laura Papanikalaou and Jess I now we talked about the idea of 2 classes.

I have agreed to split the class in order to hold all those accessing it from this week.

I am now wondering if the Parish Council would initially consider funding to provide 1hours funding @ £30 per week for
20th 27th June and 4 11 18 July
Total £150

With a view to longer term funding of the group from September 2018.

It would be great to continue building on this growing provision for accessing those who would otherwise not be able to access exercise for a variety of reasons.

Please let me know if you need any further information in order to consider this request. I look forward to hearing from you.

Kind Regards
Teresa
