

CAMBOURNE PARISH COUNCIL

District of South Cambridgeshire

Council Meeting 4<sup>th</sup> September 2018

12. INDEMNITY FOR SBO2 PUBLIC OPEN SPACE.

The offsite play element of the S106 for the SBO2 site (Flagship) has been finalised and to enable the monies to be released, the Council has to enter in to an Indemnity that it will spend the money. This is similar to the one previously signed for the community space provision, for the same site. The money has already been spent on the gym and accessible equipment.

It is

**RECOMMENDED** that the Chairman and Vice Chairman sign the document on behalf of the Parish Council.
