

Collective energy switching: sign up now and save money on your energy bills!

Dear Sir or Madam,

The Cambridgeshire Energy Switch is a scheme that builds on the strengths of Cambridgeshire County Council, the District Councils and residents, and brings them together in order to get a cheaper energy tariff.

Taking part in the Cambridgeshire Energy Switch is free and without obligation. The more people that participate in the scheme; the more likely we are able to achieve cheaper energy prices.

The Cambridgeshire Energy Switch holds its next energy auction on the 9th of October. The supplier who offers the cheapest tariff in the auction will offer registered households a new energy contract. From the 22nd of October personal offers will be sent out and households will be able to see straight away how much money they could save on their annual energy bill. They then decide if they want to accept the offer or not.

We are working with iChoosr to provide the energy auctions. iChoosr is an independent and completely impartial service provider. They aim to provide a better energy deal and also ensure that the switching experience is simple and convenient.

iChoosr do not supply energy, but across the country iChoosr have successfully switched over 40,000 families who have collectively saved nearly £6 million; making a difference to their household budgets.

In February 2018, over 400 Cambridgeshire families switched energy suppliers through this scheme and between them made savings of over £70,000, saving each household an average of £167 a year.

There are a number of advantages with the Cambridgeshire Energy Switch:

- Signing up is free and without obligation.
- You decide whether you wish to accept the offer or not.
- You can count on the assistance and support of our Customer Care team before, during and after your switch.
