Subject: Bourn Airfield Supplementary Planning Document – Community stakeholder workshop: Wed 21st Nov

Dear all,

Following the adoption of the South Cambridgeshire Local Plan on 27 September 2018, and the confirmation of the strategic site allocation of Bourn Airfield, the Council will now progress the preparation of a Supplementary Planning Document to provide further guidance supplementing the Local Plan policy. Together these will inform the determination of planning applications for the site, including the outline planning application that was submitted in early September.

As a key stakeholder in this area, you are invited to attend a workshop of lead and local councillors, parish councils, community groups and council officers. This initial workshop, led by Arup- the consultants appointed by the Council to help prepare the SPD, will include information gathering and an opportunity to discuss the existing concerns, challenges and potential opportunities on the site. Details are below:

Date: 1.30-4.30pm, 21st November 2018

Venue: Caldecote Village Hall, Furlong Way, Highfields Caldecote, Cambridge, CB23 7ZH

Attendance is limited to two representatives per organisation to ensure that the workshop session is effective. Please respond confirming who will be attending from your organisation no later than 9th November 2018, to ldf@scambs.gov.uk or by calling 01954 713183. Further information about the workshop will be shared closer to the date.

Please note that a follow up workshop will be held in the new year (date to be confirmed).

Yours sincerely,

Caroline Hunt
