

CAMBOURNE TOWN COUNCIL  
District of South Cambridgeshire

Council Meeting 4<sup>th</sup> June 2019

**17. TRAFFIC MATTERS & ROAD SAFETY.**

**15.1 Broad Street/High Street**

The bollards have been installed on the traffic islands. The improved lighting and belisha beacons are being installed on the crossing as required by the safety audit. The drainage and other remedial works will now be commissioned.

**15.2 20mph Speed Limit**

The work on the 20mph Speed Limit is progressing. At the meeting with Project Engineer John O'Donnell from Cambridgeshire County Council and Andrew Cole of Vine Technical we are looking to potentially carry out the traffic count late September/early October 2019 in the areas not affected by adoption works. Date to be confirmed.

It is recommended that the reports be received.
