

CAMBOURNE PARISH COUNCIL

District of South Cambridgeshire

APPLICATION FOR FINANCIAL ASSISTANCE

1 Name of Organisation:

Friends of South Cambridgeshire Child & Family Centres

2 Name, address and telephone number of correspondent (and office held):

[REDACTED]

3 What are the objectives of your organisation?

To support South Cambridgeshire Child & Family Centres by funding free of charge events for families with children under 8 years old (older siblings welcome). We are trying to ensure that there are things to do for families in the holidays, etc.

4 Is membership/support open to any resident of Cambourne, regardless of sex, age, ethnic origin, religion, disability or sexual orientation? If not, please give reason:

Yes. We are aimed at families with children under 8 but older siblings are welcome, and we would not turn away any older children.

5 Amount of grant applied for £1000. Any amount up to £1,000 would be hugely appreciated to help us become more sustainable and enable us to guarantee that we can offer our planned events into 2020.

6 Purpose for which the money will be used. Please explain clearly and simply the reason for your request. (a separate sheet can be used if required)

The money will be used to support the community by funding the events that we put on. Currently we rely solely on minimal donations. Evidence shows that our events are highly demanded (reaching hard to reach groups, such as low income families and those where caregivers work FT). Feedback from our research shows families want weekend events to engage their children and

enable them to take part in something within their local community. Our events also help meet targets of the children's centre who cannot reach families at weekends and the numbers attending our events are far higher than the children's centre can reach through drop in sessions.

7 Have you applied for grant aid to any other organisation (including local authorities)? If so, to whom (please give details of the decision on your application): (a separate sheet can be used if required)
Not at present.

8 Is there anything else you wish the Parish Council to take into account when considering this application? (a separate sheet can be used if required)
We are an organisation aiming to provide support to South Cambridgeshire Children's Centre, we are working closely with them to provide free of charge events for the local community. This means that we rely heavily on donations currently and applying for grants will make us more sustainable in the long term.
