Disabled parking

**Message**

To whom it may concern  
Please can you let me know who I can contact about more disabled parking to be added at the back of Monkfield park primary school.  
I am a disabled mum and nearly everytime i come to pick my son up after school there is no disabled parking available. There are currently 2 bays and today there are 2 cars displaying disabled badges. We really need more bays i cannot get out of the car in a normal bay so i have to ask other people to collect my son. With more disabled bays i can pick him up its not fair i cannot do that.  
The disabled bay area needs a disabled sign and yellow line in front, when i can get a bay i cannot reverse in because someone has parked directly in front of the bays.  
At the moment the disabled parking in this location is not adequate.  
Please can someone put this forward to the relevant person

Kind regards  
Sarah
