

CAMBOURNE TOWN COUNCIL

District of South Cambridgeshire

Play area opens from the 4th July

Help Keep this Playground and Play Equipment Covid-19 Secure

This Playground is not supervised, and equipment is not regularly cleaned.

Scientific advice suggests that the COVID-19 virus can survive for up to several days on some hard surfaces. The risks are reduced when outdoors, where surfaces may be subject to UV light and/or rain. Whilst all possible practical measures have been put in place the user of this equipment does so at their own choice and risk.

- **Under 14 years only**
- **1 family member to accompany 1 child**
- **Social distancing of 2m MUST always be maintained (or 1m with risk mitigation where 2m is not possible). Please retain 1m distance from other users e.g. pushing swings**
- **Only one child is allowed on each piece of equipment at a time.**
- **No eating or drinking in the playground**
- **Parents/Carers: You will need to clean the equipment before your child uses it. Use hand sanitiser or wipes to clean your children's hands before and after use.**
- **Do not touch your face. Remember to cough or sneeze into a tissue. Take tissues home or put them into the bins provided (use an arm if a tissue is not available).**
- **Please use bins or take litter home**
- **Children's clothes should be washed when they get home.**
- **Families with clinically vulnerable members: Do NOT use the equipment without first cleaning it.**

We encourage everyone to keep safe and adhere to the rules set out at <https://www.gov.uk/coronavirus>.

Updates will be posted on the Town Council website and Facebook page.

Thank you
