Cable theft
meant that...

the school's ICT lesson didn't happen.

the regular call with the grandchildren didn't happen.

the online multi-player game didn't happen.

the 999 call to the emergency services didn't happen.

the last minute online bid didn't happen.

the Facebook status update didn't happen.
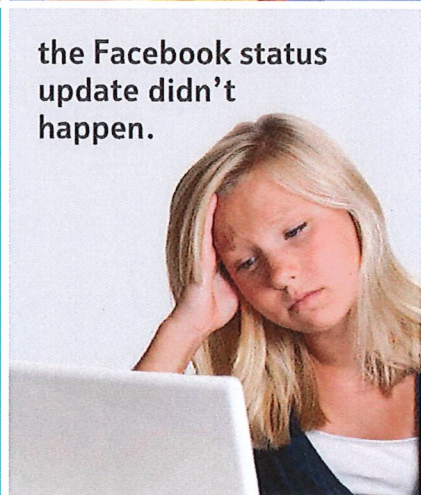

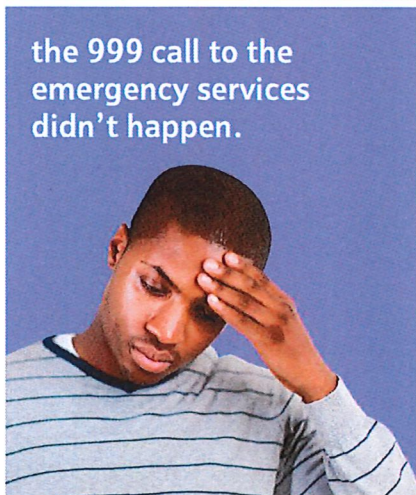

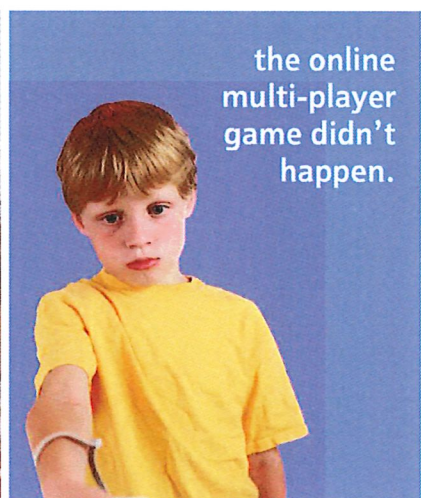

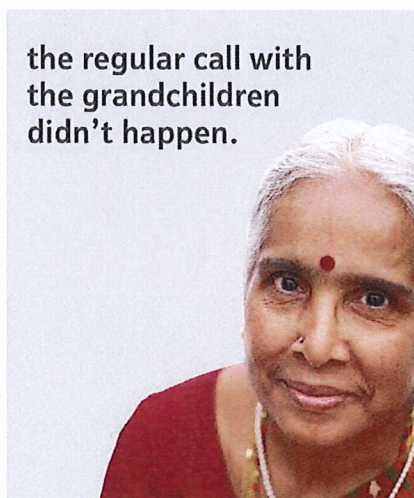

Don't let cable thieves cut you off

To fight cable theft Openreach works closely with local police forces, and the number of arrests is rising. However, we still need your help to stamp out the problem. So if you see anything suspicious call the police straightaway, and if you know something about people involved in cable theft call Crimestoppers anonymously on **0800 555 111**. They offer a reward of up to **£1,000** for information that leads to a conviction.
