

CAMBOURNE TOWN COUNCIL

District of South Cambridgeshire

Council Meeting 3rd November 2020

STREET NAMING

Further to the report to the Council Meeting on the 6th October 2020, The Town Clerk circulated an email to Councillors regarding suggestions for possible street names for West Cambourne. The deadline for this was Friday 16th October and no names were received. The Community Development Officer placed a post on the Council's Facebook Page asking residents to put forward some suggestions with a deadline of Friday 30th October 2020. Response from residents has been positive with over 40 names.

These are producing a diverse range of names to be added to the final list. Randall Thorpe is preparing a schedule of names which they are sharing with us so we can put forward the names that are not already on the list. The list is as previously suggested with local heroes added to the list following suggestions from residents.

The Town Clerk and Community Development Officer will work with Randall Thorpe on the final list. Scrutiny of all names will be carried out prior to final approval.
