

CAMBOURNE TOWN COUNCIL

District of South Cambridgeshire

Council Meeting 3rd November 2020

Town Clerks Report

Below is a short update on activities since the 6th October 2020 elements are separate agenda items.

- Continued discussions with David Gowland of Cambridgeshire County Council and Mills and Reeve regarding the repair and transfer of The Blue School. The contractors have continued to carry out repairs to the heating system prior to servicing of the whole system. They have now replaced the heating Pump and discovered a leak in one of the underfloor heating pipes. This may have been leaking sometime. A few issues still need to be resolved. Further discussions on the draft lease for the use of classroom 4 has been carried out with Mills and Reeve.
- Discussions with Andrew Cole regarding the road adoption works being carried out in Taylor Wimpey sites in Upper Cambourne.
- Discussions with East West Rail regarding a meeting with Ian Parker, Programme Delivery Director East West Rail and Paul Sparrow, Head of Technical Partner with members of the Town Council, this has now been arranged.
- Virtual Meeting with Highways England regarding Black Cat to Caxton Gibbet improvement works. Notes for the meeting will be circulated once received.
- Cambourne Volunteer Task Force regarding storage going forward.
- Cambourne 10k meeting to agree steps required to enable the event to go forward in 2021. We are looking at either the 18th or 25th April at the moment and are in contact with the developers to ensure the course will be available.

It is:

Recommended that the report be received.
