Police and Crime Commissioner
CAMBRIDGESHIRE AND PETERBOROUGH

What Matters To You When It Comes To Local Policing?

What matters to you when it comes to local policing?

As your Police and Crime Commissioner, one of my first roles is to produce a Police and Crime Plan which sets policing and crime priorities in Cambridgeshire and Peterborough for the next 3 years.

It is important to me that the final plan reflects the concerns, views and lived experiences of local people from across our county.

Please take the time to have your say in my short survey.

Your views will help inform the final content of the Plan which will be available in the Autumn.
