Dear Mr Vickery

Re: Zero Carbon Communities Grant 2021-22

I refer to your recent application on behalf of Cambourne Town Council. Your proposal has been reviewed carefully, but I regret to inform you that on this occasion the District Council has not awarded a grant. The Zero Carbon Communities grant received numerous applications and unfortunately, we are unable to fund every project requesting support. You will find the published decisions [here](#) which are subject to call in and will come into force on 19/10/2021 if no calls are received.

We will inform you of our next grant cycle and hope you will consider submitting an application in the future. Please do not hesitate to contact me if you would like you would like feedback on your application or to discuss how the Council can assist your organisation with future projects.

We wish you every success in your fundraising endeavours.

Yours sincerely,

Eleanor Haines
