

CAMBOURNE TOWN COUNCIL

District of South Cambridgeshire

Council Meeting 21st September 2021

9 Cambourne Town FC

Cambourne Town Council Football Club has commenced its new season, using Town Council Facilities, following the launch tournament. There have been issues with youths entering the 3G during training sessions and by climbing over the 4m high boundary fences. In consultation with the Committee Chair, a number of 'Do not climb' & 'No Trespassing' signs have been commissioned and are due to be installed around the 3G, tennis courts and MUGA.

The Chairman of the Committee and Town Clerk are working with Cambourne Town Football Club on methods to police and educate the youths on why they should not abuse the use of the 3G.

It is

recommended that the report be received, and the Town Clerk be delegated to take the necessary actions in discussion with the Committee Chairman.
