Subject: CCC Transport Strategies 2022 - public consultation

Dear consultee,

The Transport Strategy team at Cambridgeshire County Council has developed three draft transport strategies that will set the County Council's transport policy approach for the districts of Fenland and Huntingdonshire, and for active travel across the whole county. We are now consulting with all stakeholders and the public on the draft strategies to give you the opportunity to input into them before they are finalised and recommended for adoption in Spring 2023. We would welcome your comments on the following strategies, and also ask for your help in spreading the word.

- Draft Fenland Transport Strategy
- Draft Huntingdonshire Transport Strategy
- Draft Cambridgeshire's Active Travel Strategy

The public consultation survey is now live and can be accessed on our consultation website here <https://consultcambcs.uk.engagementhq.com/>. Please select which strategy you would like to find out more, read the draft strategy and provide your views by completing the online survey. The survey will **close on Monday 7th November 2022**. We welcome your response for any combination of the three strategies dependent on your interest.

A paper version of the survey is attached if this is preferred, and please return a copy by reply to this email to transport.plan@cambridgeshire.gov.uk by the deadline. If this will not be possible, please inform us when we should receive your response to consider if we can accept a late reply.

We want to ensure we reach as much of the general public as possible so we also ask that you display/share the promotional materials attached, or the link to the survey to your contacts, or add the information to any newsletters/social media pages you produce. If you would like printed copies to be sent, please get in touch. Alternatively, watch out for the County Council's social media posts and share as appropriate.

We will be holding a number of events, and paper copies of the strategies are available at selected libraries, all listed in the leaflet attached.

If you have any questions please do get in touch. We thank you in advance of your support in spreading the word, and hope you will take time to respond to the surveys.

Kind regards,

Transport Strategy Team
