8.1 Email from resident regarding dog fouling

Hi, there is someone, i think i know who, but have no proof, that allows their large dog to foul our verges, people's front gardens and the footpath down the side of ** New Hall Lane. I have reported it to the council, they feel that without proof they cannot do anything and to report it to you, as you can put up signs etc. I believe the dog to be a large boxer dog that lives towards the end of new hall lane.

The poos are all the same size, take a walk along the footpath towards the bridle path and you will see at least 6 lots in a short space of time. I don't feel able to confront the guy. Please can something be done? Signs? A poo bin? Something on your website? I used to pick them up but it's not helping if i do as the owner continues to be irresponsible. Many thanks.
