Caring Together:

Communications being circulated online and among local publications in South Cambridgeshire about the County Council's Care Together programme.

This is a programme aims to transform the way older people are cared for in Cambridgeshire. They plan to work collaboratively with partners and local communities and the aim is to help people live independently in their own homes for longer. This programme will result in a switch from social care based on county-wide contracts to one in which people living and working in their own communities (micro-providers) will be empowered to support older and vulnerable residents. This will help people remain living in their own homes for longer as well as adding extra capacity to the local care market.

Please help by sharing the survey, which can be accessed by visiting: <https://www.smartsurvey.co.uk/s/36MHL6/>. Paper copies can be received by calling 01954 286 002 between Monday and Friday, 9am to 2pm or emailing care.together@cambridgeshire.gov.uk.

Community forums spring 2023 dates - Next meeting date: Wednesday 8 March - A428 Cluster – Cambourne

A428 Development Cluster - Cambourne

Aims:

To provide residents and stakeholders with regular updates regarding major strategic development sites.

To provide an opportunity for residents and stakeholders to share their interests / concerns with relevant council officers, including those from the Greater Cambridge Shared Planning Service ('Planning') and Sustainable Communities and Wellbeing ('Communities') teams, Elected Members, developers and other key stakeholders such as Cambridgeshire County Council and Greater Cambridge Partnership.

Stagecoach East Director met the residents in Cambourne

I organised a consultation in January 2023 in Cambourne where Business Development Director, Stagecoach East of Stagecoach met the residents of South Cambridgeshire first time ever and discussed about the bus routes and financial viability. Another consultation will be organised to make sure our requirements are being heard in 3 months and I will run a questionnaire for the residents to gather the case studies how bus is so important in our life in Cambourne and how can we restore the services.

CAMBS GP NETWORK to start the extra-hours GP

I have contacted the CAMBS GP NETWORK to start the extra-hours GP service in Cambourne as well, as it is already being started at several surgeries around Cambourne. I am planning to organise a consultation with the Pharmacy, County members and the residents in Cambourne as well soon.
