Greater Cambridge Partnership	Papers published for Executive Board meeting on 28 September 2023
CAPALC	November Training - Clerk's Catch Up, Cemetery Management, Action Plans and Much More!

Agenda Item 13.1

Good morning

We are currently undertaking a review of our polling districts in South Cambridgeshire.

All councils are required by law to keep their polling districts and places under review. Polling districts are the building blocks of electoral areas. Most of our polling districts are formed along the same boundaries as our parishes. To make the review more inclusive we are also asking for views on our polling station arrangements, including looking at accessibility of stations for disabled voters.

We are starting our review now and would like to invite parish councils to share their views.

Full details can be found on our website at <https://www.scamb.gov.uk/your-council-and-democracy/elections/polling-district-review/>

If you wish to comment or have any questions please contact elections@scamb.gov.uk. The consultation is open until 27 November.

Many thanks

Beth Lock | Electoral Services Support Officer

Agenda Item 13.2

Dear Parish Council

You may be aware that South Cambridgeshire District Council & Cambridge City Council have appointed a survey consultancy company, Arc4, to act on our behalf to carry out a Gypsy and Traveller Accommodation Assessment (GTAA). As part of their research, they would like to get the views of key stakeholders with regards to Gypsy & Traveller provision in the area. They will be sending out a questionnaire shortly which we very much hope you will be able to complete and return back direct to Arc4.

As part of the Assessment, they will also be contacting the Gypsy & Traveller Community to ascertain their views and future accommodation needs.

It is a statutory requirement that Councils undertake an assessment of the accommodation needs of Gypsy & Travellers and it is anticipated that the Assessment will be completed by early next year. The Assessment will help to inform the joint Local Plan and help us plan for any future need identified.

Once you have received the questionnaire if you would prefer to speak to Michael Bullock, Managing Partner at Arc4, then this can be arranged for you. Everything will be explained in their email, including contact details, which will be forwarded to you shortly.

Thank you in anticipation for your support.

Kind Regards.

Julie Fletcher

Julie Fletcher | Service Manager - Housing Strategy

Pronouns She/her – please feel free to tell me your pronouns

Agenda Item 13.3

Dear Parish Council

I hope you are well! Further to Julie Fletcher's email from South Cambridgeshire District Council. Arc4 has been appointed to support South Cambridgeshire District Council and Cambridge City Council. One aspect of the study is to visit all Gypsy and Traveller sites and update information on the current number of pitches and caravans on these sites.

As part of our stakeholder consultation, which is a key part of the methodology, I have attached a questionnaire for you to complete and send back to lynne.shaw@arc4.co.uk by **Friday, 10th November**.

If you would like to discuss this further, then please let me know and I will arrange for you to speak to Michael Bullock, Managing Partner.

Thank you in anticipation and I look forward to hearing from you in due course.

Kind regards,

*Lynne Shaw
Personal Assistant to Managing Partners*

Questionnaire attached at the end of the report

Agenda Item 13.4

Dear John and Cllrs,

I have just connected with Matthew from NCR who owned, installed and managed the ATM at the Brace Dein Coop. Unfortunately he has advised me that the decision to not reinstall the ATM in the Brace Dein Coop is down to lack of use of the ATM by residents, prior to the ram raid, as well as the cost of reinstalling a machine that is not viable. He advised the downturn of use seems to be a results of Covid and everyone moving to cashless payments.

Their decision wasn't just about the risk of a future ram raid, so my project of target hardening with planters, around this store, is not really a winning factor for them to reinstall.

Disappointing, but understandable I guess, from a business perspective.

They also own the ATM at the School Lane Coop and welcome any support to target harden this location, so I shall continue with this location.

Many thanks,

Linda Gallagher | Development Officer – Community Safety Partnership- Sustainable Communities Team

Please note- My work days are Mon / Tues/ Thurs /Fri

Please note that the Council is currently trialling a [four-day week](#) to improve recruitment, retention and wellbeing. On my non-working days, you can contact communitysafety@scambs.gov.uk instead. Find out about our latest job opportunities on our [website](#).

Agenda Item 13.5

Good afternoon,

I hope you are well today.

The Care Together team are pleased to announce that our new place-based 'OLDER ADULTS SOCIAL INCLUSION GRANTS' are now live!

All documents and the online application form can be found at:

[Care Together - Cambridgeshire County Council](#)

PLEASE DO NOT RESPOND TO THE SENDER OF THIS EMAIL - any queries should be directed to the Care together email box Care.together@cambridgeshire.gov.uk to enable us to log all enquiries. **PLEASE DO SHARE WIDELY.**

Useful information:

- The closing date for applications is Saturday 23rd December 5pm
- There are various grants for each district which can be seen on the relevant district Grant Offer documents.
- You can apply for any number of the grants.
- You must use the relevant application form (indicated under each grant offered) and indicate which grant/grants the application applies to.
- Completed Grant applications must be returned to Care.together@cambridgeshire.gov.uk

Kind regards

Leneva Nwachukwu

Agenda Item 13.6

Good morning,

I hope you are well today.

Healthwatch Cambridgeshire and Peterborough is launching a survey on 1st November 2023 to gather people's experiences of accessing Primary Care services, such as GP services.

This survey, which will remain open until 17th December 2023, is being conducted independently by Healthwatch Cambridgeshire and Peterborough with the support of NHS Cambridgeshire & Peterborough.

NHS Cambridgeshire & Peterborough understand how important local access to health services are, such as your GP Practice, and are keen to hear your experiences, feedback and thoughts on ways in which you currently access local GP services and how these could be improved.

This valuable insight will be used to help NHS & Cambridgeshire & Peterborough to shape how our local services are developed for the future to ensure they continue to meet local needs.

Please find a link to the survey

here: <https://www.healthwatchcambridgeshire.co.uk/form/primary-care-access-survey>

To help you share this survey with residents who prefer to completed a **printed version** please contact enquiries@healthwatchcambspboro.co.uk .

Kind regards,

Leneva Nwachukwu

Cambridgeshire matters

Survey finds Cambridgeshire residents are happy – but with significant concerns about their current and future lives

Most Cambridgeshire residents feel happy and safe in the county, well connected to their local communities, and believe it's a great place to raise children – according to the County Council's first annual Quality of Life survey involving more than 5,500 residents.

But unsurprisingly this is less likely to be the case for people in some specific groups, with a stark finding that loneliness in Cambridgeshire is far higher than the national average. Loneliness was most likely to be reported by those aged 18 to 25, who also reported more struggles with their mental health.

The survey found the council itself plays a relatively trusted role in residents lives, with just over half of residents trusting the council to make decisions.

Satisfaction with council services was mixed. It was highest across library, waste management, street lighting and registration services, and lowest in road and pavement maintenance.

It is intended that the survey will be run again next year.

[Read the full results of the survey here.](#)

Growing gap in County Council's future finances

At the Strategy, Resources and Performance Committee on 31 October, members will hear that Cambridgeshire County Council's estimated budget gap for 2024/5 has increased from a predicted £16m to more than £23m – largely due to increases in demand for services and inflationary pressure.

With the [LGA currently reporting](#) that councils are to face an 'inflationary storm' with a predicted £4billion funding gap over the next two years, Cambridgeshire County Council is not alone - but the report to members sets out some of the key reasons for the increased predictions and some of the mitigations the council is already putting in place.

It also points to wider national and even international issues which have an impact on the council's pressures, and highlights how all services in the council have been undergoing a comprehensive exercise to identify efficiencies to mitigate the impacts facing its budget.

Proposals to set the council's 2024/5 budget will be discussed by members in December before a period of scrutiny, throughout January, including an opportunity for residents to comment on the plans. [Find out more on the council's website.](#)

Low carbon streetlights coming to Cambridgeshire

Plans have been approved to introduce [new low-carbon street lighting](#) across the county.

The roll out of newer, more efficient LED (light emitting diode) lights is expected to cut energy consumption from street lighting by more than half.

47,500 street lights are eligible for LED replacements under the scheme, with work expected to begin in 2024. Replacing the streetlights with LEDs will take two years.

The council is committed to making Cambridgeshire a greener place to live and work. Reducing the existing carbon usage of streetlights is therefore vital to achieving net zero carbon emissions from council assets by 2030.

[You can find information on how to report a street lighting fault and likely repair times on our website.](#)

Further 20mph schemes approved

Following the Highways and Transport Committee on 3 October, [more 20mph schemes have been approved across the county.](#)

More than 80 applications were received from local communities. Some of the areas where the schemes will be implemented include Cottenham, Fulbourn, Whittlesford, Girton, Willingham, Upwood and The Raveleys, Elton, Houghton and Wyton, Burwell and Wicken.

The schemes will be rolled out after the winter period once the weather starts to improve, with all schemes in place by Autumn 2024.

Improving road safety through 20mph schemes is a priority of the Cambridgeshire County Council's Joint Administration which has highlighted several benefits from the programme, including safer streets which allow residents to feel safe when walking or cycling and reduced noise and pollution.

The scheme will reopen for [new applications](#) in January 2024.

Be Winter Wise - campaign launches to support Cambridgeshire residents as clocks go back

Last week Cambridgeshire County Council launched its [new 'Be Winter Wise' campaign](#) to help keep residents across the county informed and prepared to stay safe and healthy throughout the winter months of 2023/24.

The campaign will draw together a range of services and highlight a variety of activities - from winter gritting and road safety, to falls prevention and flu vaccination support - with Olly the Owl used as a helpful identifying motif.

Be Winter Wise will also signpost Cambridgeshire residents to information from partner organisations who provide essential winter support activities, as well as promoting low or no cost winter activities to support residents with their mental and physical health.

You can follow the campaign by searching for #BeWinterWise on social media channels.

Talk Money Week

As part of Cambridgeshire County Council's winter preparedness campaign - 'Be Winter Wise' - the council will be supporting the Money and Pension Service's 'Talk Money Week', to help residents across the county feel more in control of their finances and know where they can access guidance and support.

Held from 6-10 November, Talk Money Week encourages conversations on money between friends, families, colleagues, and communities, to help people build money into everyday conversations, feel more confident about the future, and improve financial wellbeing.

As part of the campaign, residents are encouraged to take small steps and 'do one thing' to help make discussing money easier. This could include looking closely at a pension, talking to a child about pocket money, or exploring the council's [support with the cost-of-living webpage](#) to help shape money conversations.

Cambridgeshire residents can get involved with [online learning courses](#) offered by Cambridgeshire Skills to learn how to build financial resilience and develop sustainable behaviours. [Cambridgeshire Libraries](#) also have a variety of information and resources to help residents talk about money throughout the week - from free books on budgeting, to a variety of free or low-cost events, workshops, and performances for everyone to enjoy.

Keep an eye on our social media channels next week to find out more about Talk Money Week, [download one of our Talk Money Week posters](#) to display in community spaces, and [download our toolkit](#).

Volunteers sought for school place appeals panels

Volunteers are currently needed to hear appeals when children are not offered a place at their preferred school.

Volunteers will sit on the independent admission appeal panels and ensure that parents feel they have had a fair and independent hearing.

Panel members must be able to listen to two sides of a case and weigh up evidence objectively and impartially, as well as being able to communicate effectively with a wide range of people and analyse information and use it to form opinions and conclusions. [You can find the full requirements here.](#)

All volunteer panel members will receive initial and annual refresher training, and time commitment is dependent on how much time each volunteer is willing to give. While appeals are held throughout the year, the peak months are between April and July.

If you are interested in applying or would like to find out more, then please [email Clare Cronk](#).

Understand your risk of falling and stay steady on your feet with new interactive checker

An easy-to-use web-based tool, which helps users identify their individual risks of falling and suggests simple steps they can take to stay active and independent, has been launched by Cambridgeshire County Council.

Steady on your Feet is aimed at those who haven't previously had a fall but would like to understand what they can do to prevent this happening.

The tool is easy to use and asks a short series of questions to help understand any individual risks you might have and provides an action plan to keep you active and independent while increasing your confidence and reducing the risk of falling. You can fill in the risk checker yourself, or with the help of a family member or friend if you need extra help.

[For more information and to use the risk checker, visit the Steady on Your Feet website.](#)

If you don't have access to the internet but would like to find out what simple steps you can take to prevent a fall, you can request a copy of our Stronger for Longer booklet by calling 01223 703259.

Three more libraries to be open for longer

Cambridgeshire County Council libraries in Soham, Rock Road Cambridge and March have joined a [pilot scheme that offers residents extended access](#).

Each of these libraries is adding more than 20 hours a week of access to their current opening times, with early mornings (from 8am Monday-Friday) and Sunday openings introduced, alongside more consistent full day access.

This brings the number of libraries participating in the Open+ pilot scheme to five, alongside libraries in Histon and St Ives which have been successfully offering extended opening hours through Open+ for some time.

Anyone with [full library membership](#) over the age of 16 can register to use Open+. Speak to a member of staff at any Open+ library during staffed hours.

[Find out more about the library services which can be accessed through Open+.](#)

Further updates from around Cambridgeshire

Find below an additional range of news, highlights and updates from around the county this month:

- [Weeds, roads, and issues with HGVs under discussion at County Council.](#)

- [Continued support for Cambridgeshire young people in care.](#)
- [Where's Wally? asks Cambridgeshire County Council's library service.](#)

Boost your digital proficiency with Cambridgeshire Skills

Looking to master your digital abilities?

Cambridgeshire Skills offer a variety of courses to help improve digital proficiency. From beginners IT and essential digital skills, to the Microsoft masterclass - convenient one-hour lunchtime sessions, unlocking the secrets of software packages like Word, Excel, and PowerPoint where you can discover invaluable tips and tricks to enhance your productivity.

For more information, contact Cambridgeshire Skills by calling 01353 613013, email cambals@cambridgeshire.gov.uk, or [visit the website](#).

To see the range of digital courses on offer, take a look at the [online course catalogue](#).

Updates from Communities Service

Remembrance

Remembrance does not glorify war, and its symbol, the red poppy, is a sign of both remembrance and hope for a peaceful future.

This Remembrance, Tommy Kelly, Armed Forces Covenant Officer for Cambridgeshire and Peterborough, will be supporting events starting with Huntingdonshire Royal British Legion Branch's Poppy Appeal Launch supported by Huntingdonshire District Council on the 26 October.

On 10 November, he, and veterans from Wisbech, will then be supporting Orchards Academy in Wisbech with their Remembrance assembly.

He will also attend March's Remembrance Parade on 12 November.

As Armed Forces Covenant Officer, Tommy, a veteran of the British Army, engages with organisations; commercial, charity, voluntary and public (including town and parish councils) to highlight the disadvantages that the Armed Forces Community face during, and after, service and how each organisation can play their part in supporting the community by signing the Armed Forces Covenant.

If you would like any further information about the Armed Forces Community or Covenant, please contact Tommy on thomas.kelly@cambridgeshire.gov.uk.

Cambridgeshire Priorities Capital Fund

The Cambridgeshire Priorities Capital Fund (CPCF) is a £1M fund designed to support local communities - by helping to upgrade and improve community buildings and assets to better meet the needs of the families, households and communities who use them.

More than 150 organisations from across the county submitted expressions of interest totalling over £4M by the end of September. Over 85% of these expressions met the eligibility criteria to progress to the next competitive stage, where full applications will be scored against the agreed criteria value for money, supporting our ambitions, statutory compliance and the involvement of local residents and beneficiaries.

All applicants are being invited to attend one of three virtual briefing sessions being held during the week beginning 30 October, and members of the Communities Service are also available to support applicants with the next stage. The deadline for completed applications is Friday 15 December 2023. The Communities Service can be contacted on Communities@cambridgeshire.gov.uk.

Updates from Care Together

Assisting older adults in Fenland

Fitness Rush, funded by Care Together, have delivered 36 hours of outdoor exercise to adults over the age of 65 across six different locations throughout Fenland. The mobile fitness facility visits rural areas to offer tailored exercise to individuals dealing with various medical conditions.

[Read more about how Fitness Rush have helped March residents Fred and Maureen enjoy physical activity and exercise again.](#)

If you would like to kickstart your health and wellbeing with a free six week programme then please contact community@fitnessrush.co.uk.

Extra support offered in Huntingdonshire

The new Age UK Cambridgeshire and Peterborough Community Warden in Huntingdon is busy taking referrals for older adults that require some extra support in their homes. Please contact wardens@ageukcap.org.uk or telephone 07812 496004 for further information.

If you have an idea for supporting older adults live independently at home for longer, contact Care Together's Huntingdonshire commissioner: karen.berkley@cambridgeshire.gov.uk.

Supporting those with memory loss in South Cambridgeshire

[Over Memory Café](#) have successfully hosted four sessions with the assistance of Willingham Memory Box Café to help support those experiencing memory loss. There is currently capacity to accommodate more people, so please come along.

[Bar Hill's Knit and Natter sessions](#) have also seen an increase in attendance due to the funding for kits provided by Care Together - we hope to share more good news in the future about how we're supporting those with memory loss and their carers.

Vibrant social spaces in Cambridge City

The activity coordinator in [Cambridge City Council's sheltered schemes](#), funded by Care Together, is working with residents to create a vibrant social space with engaging physical activities, and are currently inviting older adults from the local area to join in and make new friends

New opportunities are also being explored for 2024-25 and older adults in Cambridge are sharing their thoughts and needs with us in face-to-face conversations. For more information and how to get involved please contact jessica.weeds@cambridgeshire.gov.uk.

New grants for older residents in East Cambridgeshire

Members of the East Cambridgeshire team have been involved in conversations with various partners (GPs, voluntary organisations, the district council, Cambridgeshire Police and others) to identify how best to help more vulnerable people in the area. Workshops were held with partners and residents to define the focus of Older Adults Social Inclusion grants, which will be going live across the county on 1 November.

We want to hear your views! Too long? Too short? Not enough relevant features? Let us know your thoughts after reading Cambridgeshire Matters so we can ensure our newsletter works for you. Please email the [Internal Communications team](#).

**South Cambridgeshire and Cambridge
Gypsy, Traveller and Travelling Showperson Accommodation Assessment (GTAA)
Including Boat Dwellers
Parish Councils**

Introduction:

arc4 has been commissioned by South Cambridgeshire and Cambridge City Councils to prepare a Gypsy and Traveller Accommodation Needs Assessment (GTAA), including Boat Dwellers.

The overall aim of the GTAA is to provide a clear, robust, and credible evidence base to inform the development of planning policies.

As part of our research, we are contacting a range of stakeholders including Parish Councils to obtain feedback by completing as many questions as you feel able to answer. Please complete as many questions as you would like to but we are particularly interested in your views on unauthorised encampment activity in your parish.

A Stakeholder Survey Privacy Notice can be found [here](#).

Thank you in anticipation for your assistance.

Section 1 – Gypsies and Traveller

1.1 Residential Pitch Need.

Q1. Do you think there is a need for additional permanent residential pitches for Gypsies and Travellers in South Cambridgeshire and Cambridge City?

If yes, please provide reasons and your view on the number of pitches that are needed (a pitch is an area of land on a Gypsy Traveller site occupied by one resident family).

Response:

Q1.1 Do you think there is a need for additional sites for Gypsies and Travellers in South Cambridgeshire and Cambridge City?

If yes, please provide reasons and your view on the number of sites that are needed and the location.

Response:

Q2. If permanent sites are needed, where do you think they should be located and why?

Response:

Q3. Do you think there are barriers to the provision of new permanent sites? If so, what are the main barriers and how can they be dealt with?

Response:

Unauthorised encampments and the need for temporary provision.

Q4. Do you have any knowledge of unauthorised encampment activity in South Cambridgeshire and Cambridge City (particularly your parish)? We are interested to know about the level of activity, challenges faced and policies for dealing with encampments. An unauthorised encampment refers to land where persons unknown reside in vehicles or tents without permission. Unauthorised encampments can occur in a variety of locations and constitute trespass.

Response:

1.2 For Gypsy and Traveller households travelling through South Cambridgeshire and Cambridge City, there are several potential options which could be considered.

Q5. Firstly, transit sites. These are intended for short-term use whilst people are travelling and usually include hard-standing, water and electricity. Is there a need for transit sites in South Cambridgeshire and Cambridge City?

If yes, please provide reasons and your view on the number of transit pitches that are needed and where they could be located.

Response:

Q6. Secondly, temporary stop-over places. This is land which can be used on a temporary basis if unauthorised encampments occur. They can include fields, disused land and areas of hard standing. Is there a need for temporary stop-over places in South Cambridgeshire and Cambridge City?

If yes, please provide reasons and your view on potential locations of temporary stop-over places.

Response:

Q7. Do you think there are barriers to transit provision? If so, what are the main barriers and how can they be dealt with?

Response:

Q7.1 Do you think there are barriers to temporary stopping place provision? If so, what are the main barriers and how can they be dealt with?

Response:

1.3 Gypsies and Travellers in bricks and mortar/residential sites accommodation.

Q8. Do you have any information on the broad locations within South Cambridgeshire and Cambridge City of where Gypsy and Traveller households live and the number of households living in bricks and mortar accommodation?

Response:

Q9. Are you aware of any challenges, such as access to facilities, services and any unmet needs faced by Gypsy and Traveller households who live in South Cambridgeshire and Cambridge City?

Response:

1.4 Movement and cross-boundary considerations.

Q10. Are you aware of any regular movements of Gypsies and Travellers from South Cambridgeshire and Cambridge City to/from other neighbouring areas?

Response:

Q11. Are there any cross-boundary issues in respect of Gypsies and Travellers that should be considered as part of this study? If yes, please provide further information.

Response:

Section 2 – Travelling Showpeople

2.1 Residential Pitch Need.

Q12. Do you think there is a need for permanent residential plots on yards for Travelling Showpeople in South Cambridgeshire and Cambridge City?

If yes, please provide reasons and your view on the number of plots that are needed (a plot is an area of land on a yard occupied by one resident family).

Response:

Q13. If yards are needed, where do you think they should be located and why?

Response:

Q14. Do you think there are barriers to the provision of new permanent yards? If so, what are the main barriers and how can they be dealt with?

Response:

Q15. Are there any cross-boundary issues in respect of Travelling Showpeople that should be considered as part of this study? If yes, please provide further information.

Response:

Section 3 Boat dwellers

2.1 residential mooring need.

Q16. Do you think there is a need for more permanent residential moorings for boat dwellers South Cambridgeshire and Cambridge City?

If yes, please provide reasons and your view on the number of moorings that are needed.

Response:

Q17. If moorings are needed, where do you think they should be located and who should provide them.

Response:

Section 4

Q18. What would you want to see as the key strategic messages coming from the Accommodation Needs Assessment?

Response:

Q19. Do you have any other comments, observations or views on any specific areas we may not have addressed in the questionnaire?

Response:

This question is only relevant to Planning Policy Officers.

Q20. We consider that this questionnaire contributes to our requirement on the Duty to Cooperate with neighbouring authorities as set out in Section 33A of the Planning and Compulsory Purchase Act (as amended by Section 110 of the Localism Act 2011) and described in the National Planning Policy Framework (NPPF) as an integral part of the Local Plan-making process.

Do you agree? Do you have any further views on this?

Response:

As part of the reporting for the project we often use quotes from the stakeholder survey in the narrative of the report and in related appendices. Are you happy for us to use your responses or part of your responses in the reporting? Listed below are a few options. Can you please pick one so we know how we can use your responses to the questions?

We normally provide summary responses in the main body of the reporting, but we are asking you this question so that we can provide useful qualitative quotes to back up particular views expressed. The appendices to our reports also include all responses provided by all stakeholders but these are provided anonymised so that individuals cannot be directly linked.

<ul style="list-style-type: none"> I am happy for anything I have said, in my responses to this survey, to be used in the reporting. Please use my name when attributing references to responses provided. <i>Response Y/N.</i>
<ul style="list-style-type: none"> I am happy for anything I have said on behalf of my organisation/company/Council, in my responses to this survey, to be used in the reporting.
